ABM Pew Reflection

When the ten others heard the request that the mother of James and John made, they were angry. You can understand why they were angry. It is a bit unfair, isn't it! Why do they deserve a place over and above the rest of the disciples? Jesus' response cuts through both the desire to be in a privileged place as well as the anger of the rest of the disciples. Jesus speaks of true leadership and power as rooted in serving. The humility of Jesus is powerful and cuts through any false pride that may present itself, both for the disciples gathered then, and for us gathered here in our context.

- Pray that you may be moved by the humility of Christ.
- Give thanks for the Archbishop of Canterbury and the work of the Anglican Communion Office.
