Dear Parish Family

Thank you for your prayers for our travel and the Anglican Deans Conference. After a bit of delay leaving Sydney, we arrived safely in Bunbury, where we were greeted warmly and experienced the generous hospitality that is the mark of all cathedral communities.

This photo is our traditional post-Eucharist photo on the Sunday, with a list of all the Deans present. (Sadly, the Very Reverend Thomas Leslie, Dean of Griffith, is mostly obscured in this photo, but he was there!)

It was also a lovely surprise to catch up with Fr Terry and Annette Curtis. Fr Terry was the sometime Precentor of our Cathedral. Both Fr Terry and Annette send their regards and prayers.

I'm also hearing wonderful reports of the Newcastle Music Festival. How blessed are we to have such magnificent music! Don't miss out on your tickets!

From the Newcastle Music Festival Facebook page: “Festival Artistic Director David Banney with Peter Guy after yesterday's wonderful concert at Christ Church Cathedral. It's been a long and very musical partnership of great friends.”

**With my thanks and prayers,
Dean Katherine**

Ps: Please share this email with others who would like to hear news of the parish. To receive our weekly mailings, please contact the Cathedral Office cathedral@newcastlecathedral.org.au to be placed on the email or mail out list.

About the music...

As we celebrate the extraordinary festival of the Transfiguration, our music reflects the grandeur of that event, with glorious music of Stanford and Vaughan Williams, and hymns that celebrate Christ, the Light of the World.

Christ upon the mountain peak

Melody - David Banney

1. Christ up - on the moun-tain peak stands a - lone in glo - ry - blaz - ing;

let us if we dare to - speak, with the saints and an - gels praise him.

Al - le - lu - ia!.

2. Trembling at his feet we saw
Moses and Elijah speaking:
All the prophets and the Law
shout through them their joyful greeting-
Alleluia!

3. Swift the cloud of glory came,
God proclaiming in its thunder
Jesus as his Son by name!
Nations, cry aloud in wonder-
Alleluia

4. This is God's beloved Son;
Law and Prophets sing before him,
First and Last and only One:
let creation now adore him-
Alleluia!

THE MARTYRS APPEAL 2022

As we think about the sacrifices made for the people they loved by the New Guinea Martyrs – 80 years ago this year – our thoughts may turn to what their priorities might be if they were alive today.

As nurses, teachers, priests and administrators, I believe that they would be horrified at the fact that the people of modern Papua New Guinea are among those with the least access to clean water in the world. And the already disastrous impact of this situation on the health of Papua New Guineans is further heightened at this time when COVID-19 is still silently killing or debilitating so many.

The Martyrs would have been passionate in their response and committed to do something about it.

Fortunately, the indigenous church they served and helped to build up, has a widely networked health system which, with funds from our Australian church supporters, is committed to providing clean water access and hygiene training to communities, schools and health centres in the remote rural areas they serve. With new rainwater tanks, people are less likely to use dirty water for daily drinking and handwashing needs.

Simon, a Community Health Worker in charge of the remote Topura Community Health Post in Dogura Diocese, says this about the water problem... “Water is really a problem in our community especially during dry season.” With a population of 600-700 people, the villagers obtain their drinking water from a creek which collects rubbish and becomes muddy when it rains. However, following installation of a 5000-litre rainwater tank at the health post, Simon can say with gratitude, “Now that the tank is installed, every patient that enters the health post [about 100 each month] has access to clean drinking water and daily washing of hands”.

Your generous support will help us to help the church in Papua New Guinea to provide rainwater tanks to many more villages, health centres and schools, thus reducing the burden of waterborne diseases, which hit small children particularly hard. It will also provide a means of improving hand hygiene and will contribute to stopping the spread of other diseases such as COVID-19. All gifts to this appeal over \$2 are tax deductible. Yours in Christ

Executive Director

Season of Creation

Give the gift of clean water

“Water is really a problem in our community especially during dry season,” says Simon Nathan, a Community Health Worker in charge of Topura Community Health Post at Topura, a remote village on Papua New Guinea’s Milne Bay coast (part of the Anglican Diocese of Dogura).

With a population of 600-700 people, the villagers obtain their drinking water from a creek which collects rubbish and becomes muddy when it rains.

Papua New Guinea’s almost 9 million people are among those with the least access in the world to safe, drinkable water. This leads to thousands of deaths each year from diarrheal diseases, many of them small children.

Following installation of a 5000-litre rainwater tank at the Topura Health Post by AID’s partner, Anglicare PNG and the Diocese of Dogura, Simon adds, “Now that the tank is installed, every patient that enters the health post [about 100 each month] has access to clean drinking water and daily washing of hands”.

But this tank is sadly insufficient to supply water for the community surrounding the health post. A community leader from Kukaka, another remote PNG village which received a water tank through Anglicare, says, “In the past before the tank installation, the Kukaka community were collecting water from the stream. During the dry season, the stream dries up and it was very difficult to get enough water. During the wet season, the stream overflows and gets the water dirty. The women still fetch the dirty water home and let the dirt settle at the bottom of the container before they use the water to drink. In both seasons, dry or wet, the stream is opened to human and animal faeces or other waste materials which is unhygienic to the community. Some people get sick with diarrhoea because of consuming dirty water.”

In Boilave, also in Dogura Diocese, the tank installed by Anglicare will only give clean water access to one third of the village. Those in more scattered parts will continue to use the dirty creek.

Your donation to Anglicans in Development’s 2022 Martyrs Appeal can help the church to provide many more water tanks to enable clean water access to thousands more people in remote parts of Papua New Guinea.

Please give generously to this year's Martyrs Appeal.

Almighty God, for eighty years the Church has been encouraged by the Martyrs of New Guinea who followed your Son in laying down their lives for the sake of your kingdom. Inspired by their story, like them, may we leave all other cares aside to make it known that you rule with love over the whole world. This we ask in the name of Jesus Christ, who lives and reigns with you and the Holy Spirit, One God, now and for ever. Amen.

Do you have a spare couple of \$\$ this week?

Are you able to donate those couple of dollars towards the Samaritans Winter Appeal? This year Samaritans will support the homelessness that our youth are facing here in Newcastle.

With the cold nights and weather setting in this week, the thought of these kids being on the street is worrying. Your generous donation of even just a couple of dollars will go towards accommodation, food and allowing them to continue their studies.

<https://chuffed.org/project/samaritans-winter-appeal-2022>

Please remember if you can spare a little, we are still asking for donations to our FREE FOOD PANTRY at the Cathedral and also collecting for the Samaritans. Any long life non-perishable items will be very thankfully received.
