Dear Parish Family

Thanks to everyone who has helped this week: with the beautiful Requiem for Jennifer Catt, and a fun-tastic couple of days with Kids' Club. Our parish life is rich and varied, and throughout it all, a passion to care for and support one another. Thank you.

This Sunday evening our annual 'Blessing of the Animals' service is at 6.00pm. Merlin and Matthew, the Cathedral Cats, are looking forward to attending and helping to lead Evensong. We welcome the Reverend Angela Peverell tssf, as our preacher.

Newcastle Pride moth starts on October 7 and runs through till November 6. Our Parish Council, on 1 September this year, reaffirmed our commitment to being a place of inclusion, moving that: *"That Parish Council affirms and commits to Christ Church Cathedral Newcastle and St Peter's Hamilton be a places of welcome, inclusion, affirmation, and safe spaces. Individually, and corporately as the Body of Christ, we have a responsibility to enable and sustain this commitment in our community, ensuring all are welcome."* Sadly, not every place welcomes everyone. Please continue to pray for and with our LGBTQIA+ community.

A little bit of what else is happening and in the pewslip:

CONFIRMATION: Classes start on Saturday at 5.00pm – and it's not too late to join! Please contact Veronica Butcher. (Veronica's details are in the directory at the back of the pewslip.) Confirmation will be on Saturday 5 November at 5.00pm during Families@Five.

UP COMING CONCERTS: Toronto Brass and Central Coast Brass join with David Drury on Sunday October 9th. Details of all these concerts (and more!) are in the pewslip. Please support our visiting artists.

SOCKS! The response has been amazing! Thank you! It only takes a wet day or two to remind us of the importance of dry, warm feet. Thanks for your generosity. Please place new socks in the boxes at St Peter's and at the cathedral.

LIVESTREAM: The easiest way to connect to the livestream is through the cathedral YouTube channel:

<https://www.youtube.com/channel/UCXyas2uhJUNOnDetOpPdUOg>

MASKS: Please strongly consider wearing a mask in places, including church, where you feel you are not able to adequately maintain physical distancing.

ATTENDING WORSHIP: Please continue to be mindful of COVIDSafe practices as we gather, and to be mindful of our own health and vulnerabilities as well as those in our community.

The sacrament is administered in both kinds. You are welcome to receive in one or both kinds. We ask that you do not intinct (dip) the host.

Finally, this week's poem is inspired by our Sunday morning Gospel reading. Probably one of the better known healing stories, it reminds us both of exclusion and thankfulness. The stigma of historic exclusion is preserved in many churches with 'lepers squints' – places where people could look through a small hole and see into the church. This poem, by Jane McKie, tells of such a window, and the lasting legacy.

Leper Window, St Mary the Virgin

The contagion of lepers
has lifted.
The low glass, where they crouched
even lower,
remains, but their breath,
their rash, their lack
has passed into the lace
of shadows in the yard.
Where God looked
but did not touch,
the lip of sandstone
is purred with fissures. *Jane McKie*

**With my thanks and prayers,
Dean Katherine**

*Ps: Please share this email with others who would like to hear news of the parish.

Season of Creation short film screening

Saturday 15 October

Join us to view **the winners of the short film competition** and to listen to the voices of those who recognise injustices in our world and have a desire to be heard.

During Season of Creation 2022 we are being urged to care for planet earth and care for our brothers and sisters. Whose voices have been muted? Whose voices need to be heard?

We are excited to showcase these **winning 2022 Season of Creation short films** that recognise the voices of those who hold generational wisdom about how to live gratefully within the limits of the land.

These films help us to consider our call to action. Where do we feel the calling to act against those who are voiceless? How can these films help us to feel equipped for the call to action?

MISSIONS

Papua New Guinea is one of the most culturally diverse countries in the world. Over 800 languages are spoken throughout the islands, and the national population of 8 million are comprised from over 1,000 distinct ethnic groups. It is also a country undergoing rapid change, as people move away from their villages to seek work and education in the cities. Because of the complexities of land tenure and the lack of employment opportunities, many end up living in settlements on the edges of the towns.

ABM and AID have had a long relationship with the Anglican Church of PNG (ACPNG) to address many of these challenges. The Anglican Province of PNG is made up of five dioceses – Aipo Rongo, Dogura, New Guinea Islands, Popondota and Port Moresby. Around 3% of Papua New Guineans identify themselves as Anglican, although in some provinces such as Oro, this figure is as high as 60%.

Beginning in 1885, Australian missionaries were first sent to support the church to deliver its mandate, before a partnership model was adopted with ACPNG to empower local, community-based development. Today, AID works with both the church and Anglicare PNG, the church's social and development arm, to support the building of sustainable communities.

More than 38% of Papua New Guineans live in below the poverty line (receiving less than US\$1.90 per day.) There is also high level of gender inequality, with PNG ranking 140 on the Gender Inequality Index among the 155 countries surveyed in 2014. Almost 40% of people over 15 are illiterate (35% are male and 42% female). Only 10% of women and 12.5% of men have received some secondary education. The average number of years a child spends at school is 5.5 years for males and 4 years for females, mostly in primary school.

The current focus of the AID partnership is on building capacity to serve communities in especially rural communities and urban settlement communities in the areas of literacy and numeracy, social inclusion, safeguarding and disaster management. AID also works with the Anglican Church of PNG as it equips itself to provide leadership in addressing social and economic challenges. We also currently support work by Anglicare and ACPNG to address COVID-19, especially in schools and rural and remote communities.

Your support of AID enables this important work to take place.

In addition to the work of AID in building sustainable communities, ABM supports ACPNG's Newton Theological College, contributing to building a church to serve Papua New Guineans in the 21st Century.
