## Dear Parish Family

Thanks to everyone who were part of two wonderful days in the parish this week. We had such a lot of fun and fabulous pancakes on Tuesday evening. Enormous thanks to Suzanne Evans and the team who worked hard to ensure a brilliant evening! Funds raised from our Pancake evening support the work of our Community Outreach Programme.

Despite the penitential weather on Wednesday, Ash Wednesday was observed well. Our choir gave us a rich feast of magnificent music to begin this season. Many thanks to David Banney and the choir and musicians.

It is hard – indeed shocking – to realise that tomorrow (Friday 24<sup>th</sup> February) marks the first anniversary of the war in Ukraine. I am humbled to have been invited to attend a Requiem liturgy tomorrow evening at the Ukrainian Catholic Church. Please continue to pray for the people of Ukraine and for peace.

**PRAYERS:** Please pray for the peoples of the Republic of Türkiye and Syria following the devastating earthquakes. You can find prayers and ways to contribute to emergency Appeals in the pewslip. Likewise, please continue to pray for the people of New Zealand impacted by Cyclone Gabrielle.

Sydney World Pride is happening at the moment, and I am thankful that as a Parish Community we are committed to the ongoing work of being a safe, welcoming, inclusive, and affirming place for all. Thank you also for your ongoing prayers for our LGBTQIA+ community, at this time when their validity and identity is challenged and questioned.

### WHAT'S HAPPENING...

**ORGAN SCHOLAR:** Information is in the pewslip and on the Cathedral website, and there are some information and application packets available at the Cathedral. Please share this, and the Masterclass opportunity, widely! Please speak with David Banney if you would like more information, or to David Atherton if you would like to support this position financially.

**ANNUAL GENERAL MEETING:** In a spectacular example of one part of my brain not realising what another part of my brain knew, last Sunday it was drawn to my attention (*very nicely!*) that the proposed time for the AGM clashed with when choir prepares before the 10.00am service. Oops. Entirely my bad. (*thanks for being so forgiving, choir!*) The Annual General Meeting is being rescheduled, and a new date will be announced soon.

**LIVESTREAM:** The easiest way to connect to the livestream is through the cathedral YouTube channel: <https://www.youtube.com/channel/UCXyas2uhJUNOnDetOpPdUOg>

**ATTENDING WORSHIP:** Please continue to be mindful of COVIDSafe practices as we gather, and to be mindful of our own health and vulnerabilities as well as those in our community. Please strongly consider wearing a mask in places, including church, where you feel you are not able to adequately maintain physical distancing.

***The sacrament is administered in both kinds. You are welcome to receive in one or both kinds. We ask that you do not intinct (dip) the host.***

Finally, this week's poem is by Holly Ordway. Holly Ordway is "the Cardinal Francis George Fellow of Faith and Culture for the Word on Fire Institute. I am also Visiting Professor of Apologetics at Houston Christian University (formerly Houston Baptist University). My writing, speaking, and teaching focus on imaginative and literary apologetics, and on the work of J.R.R. Tolkien." Ordway's poem about the Wired Wilderness was not my first choice for this weekend (read my first choice here, and see if you can work out why... <https://hymnsocietygbi.org.uk/2021/07/it-was-on-a-friday-morning-andrew-pratt/> ). Ordway's poem connected with me (see what I did there?) as many of you know, I am never far from my phone. Access to the myriad of distractions on our devices is both the new temptation and the new wilderness, where we scroll from one thing to another, thirsting for that which will satisfy, but never finding it. Maybe I need a digital detox this Lent...

### **Temptation in the Wired Wilderness**

Our Lord spent forty days and forty nights  
Resisting Satan in the wilderness.  
We picture barren rocks and sand; we might  
Add in a scrubby tree or two. I guess  
That's where temptation ought to come, so we  
Can see it from at least a mile away,  
And be prepared, with Bibles, church retreats,  
And exhortations to stand firm.

Instead it wounds with cuts too small to see,  
In this our wired wilderness. We play  
And work in deserts of the digital:  
Abuzz with locust-noise of clicks and tweets  
And filled with lonely crowds. Our enemy  
Is faced and fought right here, or not at all.

Holly Ordway

**With my thanks and prayers,  
Dean Katherine**

## About the Music...

As we come to the season of Lent we enter one of the richest musical periods of the year. Poets and composers have been inspired over many centuries by the range of theological ideas and liturgical events in Lent to create music that plunges the depths of despair at one end and the glorious heights of the resurrection at the other.

It is a tradition for many people to give something up for Lent, and we will embrace that idea in our music, making the music intentionally devoid of some of its most comforting aspects, in particular the rich sound of the organ in full flight, and luscious harmonies. Our music will still be extraordinarily beautiful, but most of the choir's singing will be unaccompanied rather than with the organ, and plainsong will make more appearances than usual. There will be music by many of the greatest composers in church history - Byrd, Palestrina, Bach, Chesnokov and Gibbons, for example. And there will be some exceptions. On the fifth Sunday in Lent we celebrate the Annunciation, with rich music aplenty, and Palm Sunday will begin with loudness!

A special feature will be the Maundy Thursday service - the beginning of the 'Great Three Days'. The organ will be used at the beginning of that service, but midway through the service, as we turn from the washing of feet to the Last Supper and the beginning of the Passion journey, the doors of the organ will be closed, not to be opened again until the singing of the Gloria on Easter Eve, at which point David Drury will regale us with sounds that will leave us in no doubt about the joy of the Resurrection.

# SHROVE TUESDAY

The aroma of pancakes cooking replaced the usual fragrance of incense on Tuesday evening in the Cathedral. Thanks to Suzanne Evans and her team of helpers, the cathedral was decorated festively, and in Lenten colours, for a fantastically fun evening of pancakes, laughter and song. Our thanks too for our friends from Orange Sky who joined the willing chefs!

The evening concluded with a pancake race, and, if you ask David Banney, he has a slow motion video, worthy of Channel Nine, of some of the pre-race pancake tossing action.

Enormous thanks again to Suzanne Evans and everyone who made the evening such a wonderful success! Proceeds from the evening go to support the Community Outreach Programme. If you would like to add your support to this essential ministry, please speak with Suzanne Evans or Andrew Traill.

# NEWCASTLE RSL SUB-BRANCH SOCIAL AFTERNOON

Saturday afternoon saw over two hundred members of the Newcastle RSL Sub-Branch, along with family and friends, and newly posted members of the RAAF and Army, visit the Cathedral for a social afternoon. The RSL held a free BBQ, with donations going towards Cathedral maintenance. The Newcastle RSL Pipes and Drums provided entertainment, and many tower climbs and tours were had.

We are thankful for the incredible support the Newcastle RSL Sub-Branch gives to the Cathedral, and it was great to welcome them.

If you know of a group who would like to hold a social afternoon or morning at the cathedral, please contact Sharon Dyett in the Parish Office to arrange.

# Art and Spirituality Workshop

23 March 2023

Creation of art provides an opportunity for a deepening awareness of oneself and the world and can act as a catalyst for evoking the Spirit.

Art is a means to see-to-re-search and find the living meaning of what it means to open the heart. Everyone has the ability to create art, but in order for it to be theological, the artist needs to explore ways that it makes sense of faith. Opening the heart through art involves making meaning through the creation, then reflecting on the art itself and the unfolding the moment-to-moment direct experience of the process.

This workshop will provide an opportunity to awaken the Spirit through the beauty of God's creation, prayer, and reflection. Participants will engage in art making experiences which will nourish their faith.

## **ABM Lent Appeal 2023**

**The 2023 Lent and Good Friday Appeal supports the work of the Anglican Diocese of Jerusalem via the outreach of the Ahli Hospital in Gaza and a new youth empowerment project.**

Shorouq is a young mother, who lives in one of the most marginalised parts of Gaza City. Her two-year-old daughter, Hala, was screened and selected to be part of the Ahli's child nutrition program to address her malnutrition.

In Shorouq's words, "My husband is unemployed, and we are living in deplorable conditions. We are unable to meet our fundamental demands. We are completely reliant on [United Nations] food assistance, which is insufficient because we also require medicine and cash to purchase other necessities.

"I heard about the free nutrition program that Ahli Arab Hospital implemented...The Ahli was a compassionate and delightful place for us as they cared for my daughter and provided us with the necessary medications, vitamins, and biscuits that supported her quick recovery."

As well as being good news for little Hala, the Ahli's program was also good news for Shorouq on a more personal level, as she received health and nutrition training both in her home and her community from women community trainers (mobilisers) who have been especially trained by the Ahli.

Shorouq continues: "I acquired more and more knowledge; my health awareness increased through the Ahli's 'woman-to-woman approach'. Their community mobiliser visited me twice a month, correcting my misconceptions and wrong health behaviours, and improving my communication skills, and gender and protection concepts. All of this knowledge and skills positively impacted my life.

"After participating in the individual awareness workshops, I became stronger, I can face the injustice that may occur, and I can protect myself alone. My awareness of my rights and responsibilities was raised; I am capable of solving my problems alone now. I have good communication channels and dialogue with my husband... And I succeeded to change some negative behaviours for myself and my husband such as helping me in the home, since I have a risky pregnancy.

"Many thanks to the Ahli Hospital and to AID, and to all the people who care for vulnerable groups and provide assistance to the needy," Shorouq remarks graciously.

Your support of this appeal will empower many vulnerable women like Shorouq, and will give their children a much greater chance of a healthy life.
