

CHRIST CHURCH CATHEDRAL, NEWCASTLE

RESTORATION APPEAL

Dear Friends,

As most of you would be aware, any large and historical building requires constant maintenance and on-going restoration work, and this is especially true of this iconic Newcastle building.

In 2012 work was completed on the project to remove salt and repair stonework on the east wall of the cathedral. This work was enabled by a grant from the Heritage Commission and funds from our National Trust fund, the Christ Church Cathedral Restoration Appeal.

Benevolent donations may be made at any time of the year and not just as we approach tax time!

Please consider supporting the Christ Church Cathedral Restoration Appeal, which has Deductible Recipient status with the Australian Tax Office. Receipts will be issued for tax deductible donations of \$2 and over.

Thank you for your support!

The Very Reverend Stephen Williams
Dean of Newcastle
