Youth Chorale

Invitation to High School Students

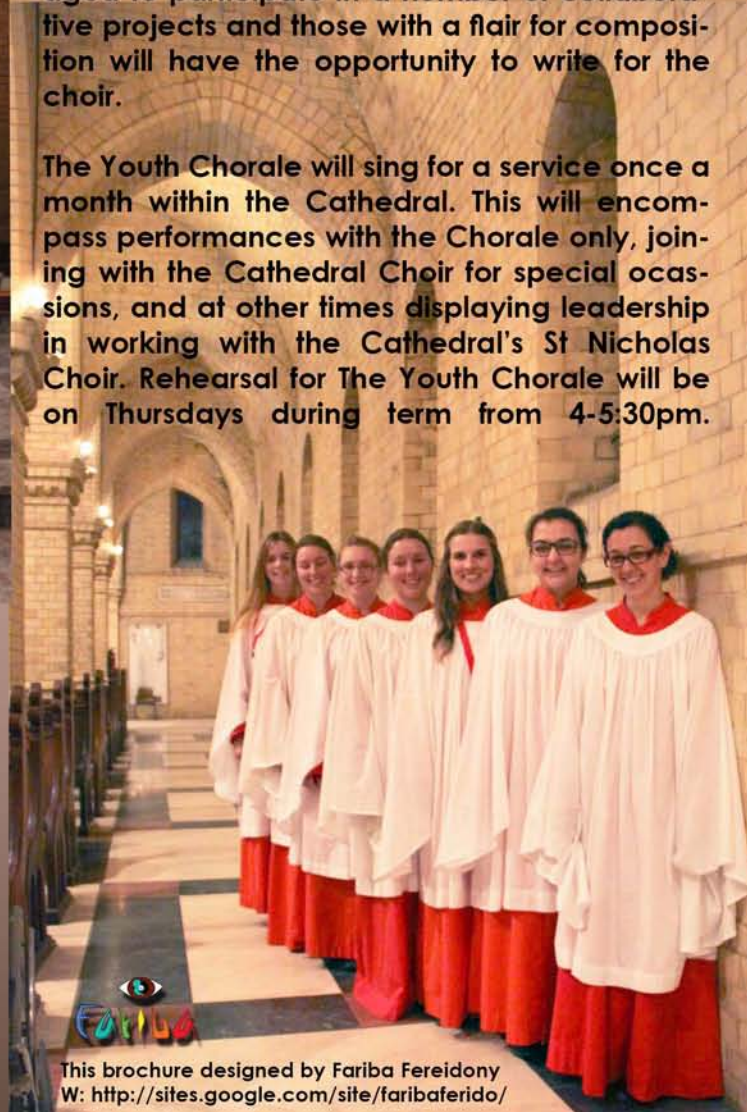

An Introduction ...

More about the Youth Chorale ...

The Cathedral Youth Chorale's focus will be on learning a wide variety of music- from spirituals to contemporary songs and anthems, ranging back to Gregorian Chant and plainsong. Repertoire will be drawn from Australia, North and South America, Europe and the United Kingdom. The Chorale will sing unaccompanied, and with organ and piano. Members of the choir that play instruments will be encouraged to participate in a number of collaborative projects and those with a flair for composition will have the opportunity to write for the choir.

The Youth Chorale will sing for a service once a month within the Cathedral. This will encompass performances with the Chorale only, joining with the Cathedral Choir for special occasions, and at other times displaying leadership in working with the Cathedral's St Nicholas Choir. Rehearsal for The Youth Chorale will be on Thursdays during term from 4-5:30pm.
