

# YOUR WEDDING CEREMONY AT CHRIST CHURCH CATHEDRAL, NEWCASTLE

We are delighted that you are considering getting married at Christ Church Cathedral. The Cathedral will provide a beautiful setting for this very important occasion in your life.

The decisions, promises and commitment you will make will be binding upon you for life, and in coming to the church for marriage, you are asking God to be part of your marriage. Be assured of the church's prayers for you as you make your preparations. As part of those preparations we invite you to join us regularly for worship. You are most welcome at any of our services: Family Service Saturdays at 5pm or Sundays at 7am, 8am, 9.30am or Evensong at 6pm.

If you would like to be married at Christ Church Cathedral please contact the Dean's office (02 4929 2052; [cathedral@newcastlecathedral.org.au](mailto:cathedral@newcastlecathedral.org.au)) to check whether your proposed day and time are available to book.

You will be invited to a marriage preparation meeting around 3-4 months prior to the date of your wedding ceremony. Our marriage preparation meetings are usually held on the third Thursday evening of the month and are relaxed and informal, usually about four couples attend. There is an introductory talk about weddings at the cathedral, time to ask questions, you will sign the Notice of Intended Marriage (Form 13) and start to plan the service with one of the clergy. The clergy can give suggestions about readings and music and can also advise you on the cathedral's policy relating to photography and video-recording. The earliest date that you can lodge Form 13 is 18 months before the wedding date, although we are happy for you to book and secure a date up to 2 years in advance.

## What the Church requires

Baptism: at least one of you must be baptised. Baptism preparation is available where neither of you has been baptised.

## Legal Requirements

All official documentation is arranged by the clergy who will celebrate your marriage. You will however need to apply to the Office of Births Deaths and Marriages for your Registered Marriage Certificate after your wedding ceremony has taken place. You will also need to produce your **original birth** certificates at your planning meeting so the priest can verify. Planning meetings are held 3-4 months prior to your wedding ceremony date.

## Fees

A non-refundable deposit of \$300 is required as soon as you request a date for your wedding service. Unless this deposit is paid, the time and date of your wedding is not secured.
