Calling all creative people: (this means everyone!) we are looking for offerings of creativity from members of the congregation as part of our newest initiative, **Creativity At The Cathedral**. For each of the four weeks in Advent, we will be publishing the creativity of one member of the cathedral community as a coloured and collectible insert in the pew sheet. We hope that this will continue into the new year to nourish us as individuals and as a community, and will be part of new growth for our cathedral. It would be wonderful if your offerings could relate to the theme of *Advent*, with other examples of creativity and spirituality being shared into 2020. If you have something you would like to share, or something you are not sure about, please ask! We want to share the work of as many members of the cathedral parish as possible. For more information, please contact Naomi Johnson on 0405 819 350 or email johnson.n@planetmail.net.

ABM Missions October Project – Disability Inclusion Project in Kenya

This year we aim to support people with a disability to lead independent, self-supporting lives, free of stigma, and to create greater awareness of the rights of such people among the local church and general population. The Disability Inclusion Project is the brainchild of the Kenyan Diocese of Eldoret's Community-Based Rehabilitation Program, in partnership with ABM and the Australian Diocese of Perth. This project gets behind selected local people who either have a disability themselves -- or else have a child or children with a disability – and provides them with a mentor and training to develop a viable business.

- \$60 will provide training in disability rights for two people, who will go on to train others.
- It costs \$205 to provide one year of on-site training in book-keeping, accounting and impact monitoring to 8 people with a disability.
- \$675 provides a start-up business.

Thank You! Envelopes can be found inserted in the pew sheet or at the back of the church. Please place your envelope with your details in the plate or in the wall safe at the back of the cathedral so it will become part of our Mission budget.
