"Educating our Partners for a brighter future"
EASTER GIFT 2017

Aboriginal Christians face formidable challenges as they seek to walk 'the narrow' track with God.

Travelling to and from remote communities is time consuming and expensive which isolates our Partners from the broader Church. They live in the tension between their traditional cultures and the Church, whilst working in communities where English is a second language and where material disadvantage is prevalent. Aboriginal church leaders also minister in settings where people are often still looking to the Church for leadership in the face of overwhelming challenges and griefs.

Please support this project and assist remote Aboriginal Christians gain access to much needed training as they seek to witness to Christ in their communities.

For your prayers...

"Let us approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need." (Hebrews 4:6).

Let us pray... For our outreach to visitors, giving thanks for all volunteers who enable the broad ministry of our Cathedral.
