This project seeks to support the Church in the Solomon Islands to learn more about the management of its affairs and provide opportunities for its staff which will allow its community development work to be effective and efficient.

Casper Sikou, the Community and Social Development Coordinator for the Anglican Church of Melanesia, attended the E-CARE intensive trainings in the Philippines in 2017. His training was one example of the work supported by ABM under the Church Capacity Building program. More than 12 participants from members of the Anglican Communion in Africa, Asia and the Pacific undertook three weeks of E-CARE intensive trainings in the Philippines in 2017. Casper's training was one example of the work supported by ABM. *Thank you for your support! Envelopes are at the back of the church. Please place your donation in the collection plate or in the wall safe at the back of the Cathedral.*
