September Missions Project: LANGUAGE, LITERACY & NUMERACY, VANUATU

We all know how important it is to be able to read and write, though many of us in Australia take it for granted. Our partner church, the Anglican Church of Melanesia – Vanuatu (ACOM-V), is trying its best to respond to this need through its Language, Literacy and Numeracy (LLN) Program. This year, the program is working with the Luganville Market for Change Association where most vendors can't read or write. This often leaves vendors cheated on at the market by customers due to incorrect payment. ACOM-V hopes to run LLN classes for a group of vendors while they are in town selling their produce, with a plan to eventually train more advanced learners as teachers. There are dreams of establishing 2 new Community Learning Centres (CLCs) where students will learn a range of life-skills which will support them to find employment or start up their own small business. Communities will be encouraged to begin income generating projects so that the benefits flow into the whole community.

Thank you for your support!

Envelopes are in the pew sheet or at the back of the church. Please place your donation in the collection plate or in the wall safe at the back of the Cathedral.

We are pleased to announce the appointment of **Marlowe Fitzpatrick** as **Organ Scholar**, Marlowe's first liturgies with us will be on Sunday 14 October. He will give a short organ recital following the 9:30am Eucharist the following Sunday (21st October). Marlowe is formerly organ scholar of St Paul's College, University of Sydney and holds a degree in French which was completed on exchange at the Sorbonne. He comes to us with great experience as an instrumentalist, singer and composer. We look forward to welcoming Marlowe to the Cathedral community. Thank you to those who generously support the Friends of Newcastle Cathedral Music, which has made Marlowe's appointment possible.
