We have taken measures to ensure that the Cathedral is a safe environment for all. All who work with children or youth have completed Safe Ministry Training and all clergy, staff and volunteers are subject to strict employment measures such as working with children checks. The Cathedral is committed to being a place where survivors of abuse experience care and support.

Community Lunches: Thanks to all members of our team on the Community Lunch Outreach Program. **Bakers Delight** at the **Junction** is supplying unused bread at closing time Saturday, which provides delicious food for our guests at the lunch and to take away with them. **Nicolette Thomas** has kindly offered to supply all the Christmas puddings this year, and this generosity of spirit flows through the whole rostered team who maintain this important outreach work. Heartfelt thanks to all.

Message from the Samaritans: To mark **Foster Care Week**, we are sharing the story of one of Samaritans amazing foster carers - Chenoa and her husband first became foster carers when two girls in her prep class were in need of care. Since then she has fostered more children. Her family and their two biological daughters have enjoyed growing together and welcoming new family members. It is very much 'the more the merrier' in their household! *I care because I want to make a difference. I want to make a change - my husband and I want to see children blossom and flourish and all it takes is one person - why wouldn't it be you? We can't change the whole world, but we can change a few lives when we can and they can go on to do the same.-* Chenoa
