We have taken measures to ensure that the Cathedral is a safe environment for all. All who work with children or youth have completed Safe Ministry Training and all clergy, staff and volunteers are subject to strict employment measures such as working with children checks. The Cathedral is committed to being a place where survivors of abuse experience care and support.

Message from the Samaritans: In the spirit of "Sharing the Journey" for Mental Health Month, headspace youth ambassador Chelsea shares her journey with mental illness.... *there is something that cannot be said enough about mental illness; it is a journey, which isn't a clear straight path and a diagnosis doesn't fix everything.... My message for others experiencing mental illness is you don't have to go it alone. Speak up and accept help as sometimes just being able to share your story with others can be comforting in its own right. If there is one thing that is more important than anything, it is to be kind to yourself, and to celebrate even the smallest of victories. These smaller goals lead to big achievements and it's important to recognise that....* Samaritans runs numerous mental health services and is the organization that auspices youth mental health service, headspace Maitland.

***Important note:** Samaritans is **NOT** a crisis service; if you need assistance immediately please call 000 Emergency or Lifeline on 13 11 14.
