All who work with children or youth have completed Safe Ministry Training and all clergy, staff and volunteers are subject to strict employment measures such as working with children checks. The Cathedral is committed to being a place where survivors of abuse experience care and support.

Choir News: Join us **today at 11:15am** as Newcastle's newest music ensemble presents a short recital. Nova Praetorians is a Newcastle based Early Music Recorder ensemble which was formed in 2014. Their repertoire has a focal point on early works, particularly those of Praetorius, but extends to the late Baroque. Entry by donation.

Message from the Samaritans: Contributions of tinned fruit or vegetables, cereals, vegemite, pastas, sauces and noodles continue to be needed and are greatly appreciated. *Thank you very much for all donations.*

Missions ABM Our Project for October: The Solomon Islands - Disaster Risk Reduction and Climate Change Program. The Solomon Islands are increasingly vulnerable to the effects of climate change and natural disasters. In 2015 alone two devastating cyclones affected various islands within the archipelago causing widespread damage and loss of life. ABM is committed to supporting the communities for these increasingly frequent disasters. This involves the implementation of a Disaster Risk Reduction program. King tides, rising water levels and salt intrusion into water supply and crops is causing havoc in the region; all effects which are classed as contributing to a "slow onset disaster". *[Envelopes are at the rear of the Church]*
