ABM Missions August Project - General Community Development Fund

The General Community Development Fund helps ABM to fund our community development work that cannot be neatly packaged as a “project”. It includes the following activities:

- Continuing to measure and evaluate our effectiveness in the aid of projects we deliver.
- Enabling us to learn from and improve the work we do.
- Supporting the Anglican Communion to amplify the voices of smaller churches around the world, and especially in our own Pacific Region, in advocacy on Climate Change, Prevention of Violence against Women, and ending Human Trafficking and Poverty.
- Supporting the ecumenical work of the Church Agencies Network working to prevent, mitigate or effectively respond to disasters in our Pacific Region.
- Supporting the ecumenical work of Action by Churches Together in responding to disasters worldwide.

If you have ever wanted to see a small donation make a real difference by joining it to many other small donations, through large ecumenical responses to disasters.. If you have ever wanted the voice of the Anglican churches in our Pacific region to be heard on the world stage.. then please consider supporting this vital fund.

Thank You! Envelopes can be found inserted in the pew sheet or at the back of the church. Please place your envelope with your details in the plate or in the wall safe at the back of the cathedral so it will become part of our Mission budget.
