

## **UPDATE**

We have, up to date a total of eleven (11) florists. Some new to our Festival and they have been into the Cathedral and viewed their areas. Each one interpreting the “Renewal” theme differently.

All major areas with the exception of one have now been sponsored and we are in the process of speaking to other prospective sponsors.

The caterer for the Twilight Supper will be St. Thomas’s Cardiff. They are very excited about this and have put a great deal of thought into the planning of the high class menu and our committee is now preparing the list of invited guests for this official opening. We also encourage parishioners and friends to attend.

We are now looking to you, the Cathedral family for your support. You are invited to sponsor arrangements as thank-offerings or memorials, the details of which can be found in the Pew Sheet. We also need you to fill in your names on the various rosters. The sheets are located in the narthex and most importantly we need you to spread the word that the Cathedral Flower Festival will return in September in all its glory.

Our publicity is now being prepared and we ask you to please take the posters and letter drops for distribution, when they are available.

*The committee thanks you for your support.*

SUZANNE EVANS  
On behalf of the Committee
