### **PAPUA NEW GUINEA - NEWTON THEOLOGICAL COLLEGE**

Newton Theological College plays a crucial part in the Anglican Church because it is where clergy – the future leaders – are trained. The students, often accompanied by their wives and children, live on the campus during the residential component of their four-year Diploma in Theology course. There has been some improvement in the water supply, but four water tanks are still needed and funds are yet to be found for the college to be connected to the national grid. The library has been renewed by a significant consignment of books. It's providing much-needed help to the students who are trying to adapt to the changes in the curriculum, but more resources are needed to make it a better, up-to-date collection. Support is also needed for the complementary program for the students' wives. The program includes literacy, health and sewing. Bishop Jeffrey Driver, Acting Principal of Newton College, says that there is also a need to purchase a vehicle for the college. Located 10 kilometres from Popondetta, it is a priority to have a robust diesel Ute to service the college and also to ensure a duty of care in case of illness or accident. ABM urges you to keep Newton College in your prayers. Your generous donation to this project will help provide for the training needs of students and their wives, as well as for the day-to-day needs of both the students and lecturers who live at the college.

*Thank You! Envelopes can be found inserted in the pew sheet or at the back of the church. Please place your envelope with your details in the plate or in the wall safe at the back of the cathedral so it will become part of our Mission budget.*
