**Creativity at the Cathedral:** Thank you for the interest, questions and wonderful ideas that have already come out of this – it is wonderful to get a glimpse of the depth of talent and creativity of people in this community, even those who do not see themselves as creative! We still need submissions for the theme of *Advent*, which will be published as a collectable insert with the weekly pewsheets, and will also be available on the cathedral's website and social media pages. Looking into the new year, we would also love submissions for the *Sundays after Christmas (including the Presentation of Christ in the Temple – ideas, anyone?)* and the *Sundays in Ordinary Time*. ### **ABM Missions October Project – Disability Inclusion Project in Kenya**

This year we aim to support people with a disability to lead independent, self-supporting lives, free of stigma, and to create greater awareness of the rights of such people among the local church and general population. The Disability Inclusion Project is the brainchild of the Kenyan Diocese of Eldoret's Community-Based Rehabilitation Program, in partnership with ABM and the Australian Diocese of Perth. This project gets behind selected local people who either have a disability themselves -- or else have a child or children with a disability – and provides them with a mentor and training to develop a viable business.

- \$60 will provide training in disability rights for two people, who will go on to train others.
- It costs \$205 to provide one year of on-site training in book-keeping, accounting and impact monitoring to 8 people with a disability.
- \$675 provides a start-up business.

***Thank You! Envelopes can be found inserted in the pew sheet or at the back of the church. Please place your envelope with your details in the plate or in the wall safe at the back of the cathedral so it will become part of our Mission budget.***
