Thank you to all the usual donors for their regular and often large donations. They are very well appreciated by those needing help as well as those who hand them out. If you are wondering what is needed, when you are shopping, just think what you would like for dinner or lunch and remember that most of these people would like easy to make meals with simple ingredients which can be jazzed up with a little spice if liked. The items must be packaged for long life and healthy handling. Other needs are for personal health and cleaning products.

Mission giving through the ABM Good Friday and Easter envelopes was **\$2000!**
Thank you for your continuing loving support for God's work in other places.

ABM Missions – Mission Project for May – Solomon Islands

Disaster Risk Reduction and Climate Change - During the last year, the Anglican Church of Melanesia (ACOM) installed eight new water tanks using ABM funding, as part of their Disaster Risk Reduction and Climate Change response work. The Health Clinic has been tirelessly serving the people of the province for many years, caring for the sick despite the challenges of limited resources and access to clean water. Your ongoing support is needed.

The beautiful coastlines of the Solomon Islands are being affected by the effects of long term climate change.

Please place your donation in the collection plate or in the wall safe at the back of the Cathedral. Envelopes are inserted in the pew sheet or at the back of the church.
