We have taken measures to ensure that the Cathedral is a safe environment for all. All who work with children or youth have completed Safe Ministry Training and all clergy, staff and volunteers are subject to strict employment measures such as working with children checks. The Cathedral is committed to being a place where survivors of abuse experience care and support.

*Gluten free Communion Hosts are available,
please request during Communion.*

Mission Action Planning – A meeting of all who are interested in being part of a Mission Action Planning process for the Cathedral community will be held today from 3.30pm to 4.30pm. We will be looking at the 2015 MAP and planning the next stages in the process.

November Missions Project: The Solomons Church Capacity Building for Development - This project seeks to support the Church in the Solomon Islands to learn more about the management of its affairs and provide opportunities for its staff which will allow its community development work to be effective and efficient. Casper Sikou, the Community and Social Development Coordinator for the Anglican Church of Melanesia, attended the E-CARE intensive trainings in the Philippines in 2017. His training was one example of the work supported by ABM under the Church Capacity Building program. More than 12 participants from members of the Anglican Communion in Africa, Asia and the Pacific undertook three weeks of E-CARE intensive trainings in the Philippines in 2017. Casper's training was one example of the work supported by ABM.
