We have taken measures to ensure that the Cathedral is a safe environment for all. All who work with children or youth have completed Safe Ministry Training and all clergy, staff and volunteers are subject to strict employment measures such as working with children checks. The Cathedral is committed to being a place where survivors of abuse experience care and support.

Apologies, but the Hearing Loop is not working due to a lightning strike on 6 March – we are hoping for repairs/replacement to be completed ASAP.
